

Stalling voor fietsen en steps van bewoners

Dear neighbour,

All residents of this building are welcome to use the free cycle storage facility in garage level -1.

Is your bike or step currently in this cycle storage facility? Or would you like to park your bike or step there? If so, this message is for you!

From 1 November 2026, only bikes or steps with a GREEN label will be permitted in the cycle storage facility.

You can collect a green label for your bike(s) or steps(s) from Paul (flat 8F – mobile 0486 83 28 58) or Stefan (flat 5A – mobile 0485 987 465).

Do you currently have a YELLOW label on your bike? Replace it with a GREEN label.

Don't have a label on your bike or step yet? Now is the time to request one.

What should we do with bicycles or steps left in the cycle shed after November 1 that do not have a green label? These bicycles will be PERMANENTLY removed. We regard them as abandoned bicycles and steps. They are taking up space that could be used by residents who wish to park their own bicycles or scooters here. We will therefore remove them.

Thank you very much for your cooperation.

Kind regards,

Wim Cornelis
Gerantis/Beheer
property manager

Stefan Nieuwinckel
Paul Boon
on behalf of the Co-ownership Council

Vous habitez dans cet immeuble ? Vous souhaitez garer votre vélo ou y entreposer vos escaliers pliants ? Demandez un label vert à Paul ou à Stefan.
À partir du 1er novembre, nous retirerons tous les vélos ou escaliers pliants dépourvus d label ou munis d'un label non conforme.
